Worksheet: How do Characters Deal with Death?

1. Which character dies in the story you are reading and what is the cause of death?

2. Did the character say anything about how they felt about dying? If not, how do you think the character would feel about their death?

3. How did the character's friends, family, or allies feel about the death? What did they do afterwards? Did the death of their loved one cause any of them to change?

4. Were any characters happy about the character who died? What did these characters say or do afterward?

5. If you were the character who died, how would you have felt about your fate? Would you have done things differently or tried to change what happened?
